

Pasture walk and talk

Join the **Sustainable Agriculture/ALUS program** with guests from **Cows and Fish** for a walk and talk at an ALUS participant's farm!

Witness grazing-management tools like riparian fencing and off-site watering in action. Listen to the farmer's perspective and learn more about riparian areas, which are the ribbons of green along creeks and around wetlands.

Date: Tuesday, July 17

Time: 10 a.m. to noon

Location: an ALUS project farm west of Buck Lake. Exact location will be provided upon registration

Please pre-register by July 13 by contacting Kim at 780-387-6182 or kimb@leduc-county.com or kbarkwell@county.wetaskiwin.ab.ca.
