

Do you want to be a Beekeeper?

BEGINNER BEEKEEPING

JANUARY 19, 2019 9:00 – 3:00 pm
Nisku Recreation Centre, 606 – 18 Ave. Nisku, AB

Keeping bees is a hobby practiced by hundreds of people in Alberta. Beekeeping is a relatively inexpensive hobby that provides a sweet bonus at the end of the season.

Our presenter, Patty Milligan, owner of Lola Canola Natural Honey will start you off with the basics in this class and you will know at the end of the day whether this is a hobby for you. If there is enough interest we may host an Advanced Workshop in the spring.

WHAT YOU CAN EXPECT TO LEARN

- Biology of bees
- Roles of Queens, Drones, & Workers
- Setting up the hives
- Equipment & protective clothing
- Where you purchase bees
- What happens in the four seasons
- What to plant to attract bees
- Disease issues and medication
- Harvesting the honey
- Wintering the hive
- Why and how bees swarm

COST: \$30.00

Lunch and snacks included.
In order to reserve your spot your registration must be paid in advance by cash or cheque. We will not be accepting registrations at the door.

Leduc County
#101, 1101 – 5th St
Nisku, AB
