

# Alternative Land Use Services

## *Project Site Visit*

- Date:** Friday, June 21  
**Time:** 9 to 11:30 a.m.  
**Cost:** FREE (limited space available)  
**Place:** *location provided upon registration*

ALUS is a program for farmers that is offered in Leduc and Wetaskiwin counties through their Sustainable Agriculture Program Partnership.

ALUS invests in farmer's projects that provide benefits to nature (ecosystem services) within their active farming operation.

On this site visit, you will see excellent examples of projects that benefit the farm and provide some of nature's benefits, such as cleaner water and more biodiversity, including:

- **Riparian area protection/enhancement**
- **Exclusion fencing and alternative watering system**
- **Nesting structures**
- **Reforestation/wildlife habitat**

### **What to bring:**

- Mosquito spray
- Suitable shoes for walking/hiking. We will be walking to the site from the yard.

**Please pre-register for the site tour by June 19.** Contact Kim at [kimb@leduc-county.com](mailto:kimb@leduc-county.com) or [kbarkwell@county10.ca](mailto:kbarkwell@county10.ca) or 780-387-6182.
