

SCHEDULE C — "FEE SCHEDULE"

1. Fee Schedule

Superior Safety Codes Inc. will provide an excellent level of service by delivering the full complement of Safety Codes Services. Superior recommends a 60/40 percentage split based on the attached proposed fee schedule.

We recommend that no remuneration be remitted to Superior Safety Codes Inc. until such time as the permits are closed in accordance with the QMP. Superior will invoice and return closed permits to the County on a monthly basis.

Our service includes the following:

- > Compliance services, including but not limited to, site inspections, technical queries, advice, and issuance of orders.
- > Audit representation and support with Alberta Municipal Affairs and the Safety Codes Council.
- > Permit issuance training and refresher sessions.
- > Code seminars for local contractors as new Codes are adopted by the Province of Alberta.
- > Out of scope inspections.
- > All interaction with the County of Wetaskiwin and associated departments.
- > All costs associated with contract implementation.
- > Web accessible database.
- > Insurance coverage as required by the contract.
- > Workers' Compensation coverage.
- > All travel costs.
- > All office and ancillary costs.
- > Housing and maintenance of all files associated with this contract.
- > Business license.

Letter of Credit/Guarantee

As described in Sections 27-30 of the proposed contract the Agency is required to provide a Letter of Credit based on the number of active permits. Superior accepts this term but would also like the County of Wetaskiwin to consider an alternative to this. Superior's alternative is a system of reconciliation to the Municipality that has been incorporated into many of the contracts we presently hold. Superior will issue all electrical, plumbing, gas and private sewage permits and collect all fees. On a monthly basis Superior will send the County of Wetaskiwin 100% of the fees collected, less the SC Levy, with a detailed reconciliation of the permits issued.

Superior will not invoice the County of Wetaskiwin for compliance monitoring on any permit, including building, until that permit is closed in accordance with the Quality Management Plan. These invoices will also be sent monthly and will have the closed files attached.
