OFF HIGHWAY VEHICLE BYLAW

For a copy of the complete Bylaw, visit <https://www.county.wetaskiwin.ab.ca/670/Protective-Services>

The County of Wetaskiwin No. 10 OHV Bylaw only applies to local roads, not primary and secondary highway's which are under the jurisdiction of the Province of Alberta.

The *Alberta Traffic Safety Act* allows municipalities to enact a bylaw to permit people to operate OHVs on highways and public property if the operator follows the rules set out in the bylaw and in the *Traffic Safety Act*.

DEFINITION

Off-highway vehicles (OHVs) include snowmobiles, quads, mini-bikes, and any addition means of transportation powered other than by muscular or wind power and are built for cross-county travel on land.

YOU MUST:

- ✓ Travel in the same direction as vehicles travelling upon the roadway;
- ✓ Travel in single file;
- ✓ Travel on the shoulder or parking lane of the roadway or, where it is safe to do so, in the adjacent ditch, except when making a left-turn onto an adjacent roadway;
- ✓ Travel at a maximum speed not exceeding 40 kilometers per hour or the posted speed limit, whichever is lower.

- ✓ Be registered and insured pursuant to the *Traffic Safety Act*; and
- ✓ Be at least 16 years of age and holds a valid Class 1 to Class 6 operator's License, or
- ✓ At least 14 years of age and hold a valid Class 7 Operator's License and is supervised by a person who is
- ✓ At least 18 years old and holds a valid Class 1 to Class 6 Operator's License, and Either occupying the passenger seat on the OHV or is on another OHV travelling in close proximity.

OPERATING RESTRICTIONS:

- ✗ No travelling on Municipal property or County parks;
- ✗ No travelling on private property without permission;
- ✗ No traveling on a highway, **except** in accordance with the Bylaw or as otherwise permitted under the *Traffic Safety Act*;
- ✗ No traveling on a rural road between the hours of 11:00 pm and 7:00 am;
- ✗ No travelling on the road or ditch with OHV that is **not** equipped with headlamps, tail lamps, an exhaust muffler and such other equipment as required by the *Off-Highway Vehicle Regulation*;
- ✗ No riding as a passenger where the number of persons riding the OHV exceeds the seating capacity of the OHV;
- ✗ No traveling on any Highway where the County has placed a sign or signs prohibiting such operation.

PROTECTIVE GEAR

In order to operate an OHV, the operator and passenger must wear a Safety Helmet securely attached to the person's head. A Safety Helmet is defined as a safety helmet intended for use by an operator or passenger of an OHV that:

- ✓ Meets one or more of the standards for motor cycle safety helmets adopted in the *Vehicle Equipment Regulation* passed pursuant to the *Traffic Safety Act*; and
- ✓ Has the mark or label CSA, DOT, BSI or the Snell Memorial Foundation indicating that the safety helmet met one or more of the specifications required on the date which it was manufactured.

WHERE CAN YOU DRIVE OHV'S IN THE COUNTY OF WETASKIWIN

OHVs are allowed on Township and Range road surfaces and in ditches within the County of Wetaskiwin. An OHV may not be operated on any highway, road or ditch along provincial highways unless permission has been granted. You may drive an OHV directly across a highway with shortest route.

Please see operating restrictions in this pamphlet for further details.

Contact leaseholder prior to travel on leased land. Call 310-ESRD for assistance or access the maps.alberta website.
