### Featuring keynote speaker Léona Watson

Léona is the eldest of five daughters raised on a family farm in Northeastern Alberta. Together they learned the values of hard work, perseverance and gratitude. Léona graduated from Olds College in Agribusiness, and in 2011 was awarded a Canadian Nuffield Scholarship where she studied succession planning around the world. Since then, she's set her roots in the Yukon Territory as a wife, mother, homesteader, farmer and outfitter. She will share stories of her farming adventures and worldly travels that exemplify making the most of every opportunity.
